Total Energy Response:

The reason why Jensen Lifestyle speakers sound better than any comparable speaker.

Just what is Total Energy Response?

Total Energy Response is the uniform radiation of sound throughout the whole listening area—at all frequencies. And it makes an unquestionable difference in the stereo sounds you hear.

Most speakers are to one degree or another directional. That is, part of the room in front of the speaker gets the full sound. Bass, treble and midrange. While parts of the room to the sides of the speaker get just a fragment of the sound. (See Fig. A)

It's precisely this fault we set out to correct. Because others may tell only part of the story. Often with just one response curve measured from just one position—their optimum position.

However their results don't look so favorable when the test microphone is

moved "off-axis," that is, to the side instead of directly in front of these speakers.

Figure B illustrates this. It is a Total Energy Response curve, taken with test micro-

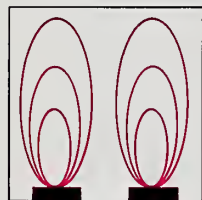

Figure A Ordinary Speaker Dispersion

phones in all positions. When comparing the Jensen (blue line) with a comparably priced "flat" speaker (red line), you can see how deficient the other speaker is in total radiated energy in the mid and mid-high frequencies. This midrange deficiency is unfortunately very common amongst speakers, and gives many so-called "flat"

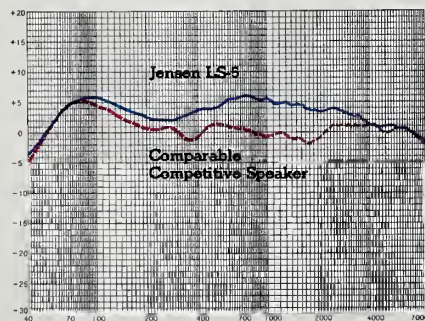

Figure B Total Energy Response Curve

response speakers a very "thin" sound.

The Jensen Lifestyle speaker, on the other hand, demonstrates true Total Energy Response. Uniform radiated

power—at all frequencies—throughout the whole room.

These speakers were conceived, designed and tested for this. Tested from every spot in anechoic "dead" rooms, reverberation "live" rooms, and simulated living rooms.

Our finished products: remarkable dispersion for the hard-to-disperse high frequencies... 160° or 170° wide, depending on the model. Also expanded dispersion of the critical midrange response. And full, rich bass that still perfectly matches the other frequencies for accurate sound reproduction. The way it's *supposed* to be heard.

You can see how the sound from a Jensen is distributed much more evenly throughout a room. And when you're in your own listening room... you can *hear* it.

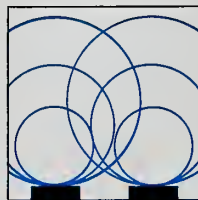

Figure C Jensen Lifestyle LS-5 Dispersion

What does all this mean to you?

1. It means that with Jensen Lifestyle speakers, you'll be able to hear all of the frequencies, all of the time, in almost any

part of the room. Not just the bass if you're to the side of the speakers. And not just the treble if you're in front of them.

2. Excellent stereo imaging. You hear everything that *both* speakers are putting out. Almost anywhere in the room. Unlike listeners of other speakers, who can fall victim to gaps in the response characteristics, or "hole-in-the-middle" stereo.

3. Excellent balance. Many other speakers are hot on treble, or bass, or both. But all that really means is that the midrange is often neglected. Jensen sends the all-important midrange throughout a room every bit as much as the highs and lows.

4. Total Energy Response is achieved in Jensen speakers without any loss of efficiency. Which means a moderate output amp or receiver is still all you need for great performance. Not a big super-amp.

What gives Jensen Total Energy Response?

A number of features. First, the extremely wide dispersion of the Lifestyle Tuned Isolation Chamber™ midranges.

Especially important are Jensen's two tweeters: a 160° dispersion cone direct radiator, and the 170° dispersion Mylar® Sonodome® tweeter. The sound input to each of these drivers is precisely monitored by Jensen's exclusive Comtrac® crossover network, which insures uniform energy transfer between the woofer, midrange, and tweeter.

For final command of the Jensen Lifestyle's sound, behind-the-grille controls are featured. These controls let you adjust the treble, and in some cases, the midrange, to the characteristics of your individual room.

And with Total Energy Response... there's more music to control.

Hear the difference yourself...

Stop by your local Jensen dealer and hear for yourself the difference Total Energy Response makes. It's the reason why Jensen Lifestyle speakers sound better than any comparable speaker.

To pedal or not to pedal?

Honda gives you a choice.

HONDA MOPED. Pedals and power go together with the new Honda PA-50 Moped. The engine's a peppy dependable Honda single. The transmission's completely automatic—no clutching or shifting. And the ride's remarkably comfortable—full front and rear suspension plus a soft saddle seat.

There's many a moped around these days, but there's only one that carries the Honda name and all the quality that goes with it. So there's only one that gives you that special kind of Honda fun.

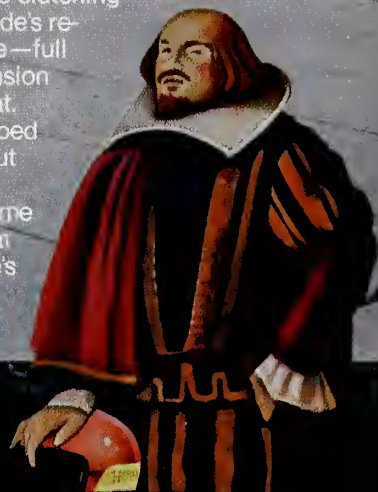

HONDA EXPRESS.

No pedals to push. That's part of the pleasure of the Honda Express™. Incredibly easy to ride. Just start it up and go. Fully automatic. Up to 100 miles per gallon. Built-in Honda reliability. And a penny-pincher's price tag—only \$309.* The Honda Express makes economics enjoyable.

All around campus, all around town, to go with a Honda PA-50 Moped or a Honda NC-50 Express... that is the question. Your nearby Honda dealer has the answer.

DON'T SCREW IT UP WITH SOMEBODY ELSE'S SPEAKERS.

It pains us, to hear a Pioneer car stereo through anybody else's loudspeakers.

It pains us because we probably make more high-fidelity speakers than anyone else. Some two-dozen different varieties of car speakers alone.

TS-571

We know what goes into ours. And we know what goes into the other leading brand.

In Pioneer speakers, we use honest, one-piece ferrite magnets. We don't try to fake it with sandwiched magnets, because shortcuts like that increase flux leakage and reduce efficiency.

In Pioneer speakers, we use specially developed cone papers,

some with polyurethane-coated cloth edges for high linearity and high compliance. We don't take chances on lesser materials, with poor stability and heat resistance.

In Pioneer speakers, we use more-stable high-frequency cones. We take special precautions for weather and temperature resistance.

And now that you've read about us, hear us.

Ask your car stereo dealer to play the other leading speakers, then Pioneer.

And, believe us, you won't need the ears of a Leonard Bernstein to hear the difference.

Gateway to a great way of life.

The only cheaper way to see Europe is to enlist

2 months, unlimited Second Class train travel, 15 countries, \$250.

Check it out. A Eurail Youthpass is a super deal; the best and cheapest way to see a lot of the Continent. Trains are fast, comfortable, frequent. And they speed you to the heart of cities.

Stations are like small towns with everything a traveler needs. You meet fellow backpackers (Europeans, too). You can sleep on board, couchettes are bargains. Your Eurail Youthpass even covers some ferry, steamer and motorcoach rides. Best of all, with the Pass you can stay loose, park where you like, move on at whim.

There's always another train you can catch.

To get a Eurail Youthpass you have to be under 26. Both Eurail Youthpass and Eurailpass are sold here through your Travel Agent.

You can't buy them in Europe. If you've less than or more than two months, get a Eurailpass. Same idea but you ride First-Class. Available in two or three-week Passes, or one, two, or three-month Passes.

If you're not about to enlist why not plan to see Europe with a Eurail Youthpass. No, you won't have to pass a physical.

IMPORTANT CHANGES

Students should be advised that the University will make no deferment for payment of fees or allow registration after the last day to add.

It is also important that the student read carefully the information on "Expenses at the University" in the Addenda to the 1978-79 Catalog section of this publication.

NEW STATE BOARD OF REGENTS' ACADEMIC STATUS AND RETENTION POLICY

The following minimum academic status and retention standards will become applicable for all undergraduate students at Memphis State University in the 1978 Fall Semester. The official grade report at the end of the Fall Semester will indicate the student's academic status according to the new sliding scale retention standards. The new retention policy will supercede the current sliding scale retention policy.

Some procedures related to the implementation of the academic status and retention policies are outlined in the following comments. (The complete policy is stated in the 1978-1979 Bulletin on page 43.)

MEMPHIS STATE UNIVERSITY UNDERGRADUATE SLIDING SCALE RETENTION POLICY

A student is academically deficient when the grade point total is less than twice the number of cumulative semester hours attempted.

A student will be placed on academic probation at the end of any semester, term or summer session(s) when the cumulative grade point average (GPA) falls below the minimum required GPA on the Sliding Scale Retention Policy.

A student on academic probation who fails to raise the cumulative grade point deficiency at the end of the next enrolled semester, term or summer session(s) to at least the required minimum on the Sliding Scale Retention Policy will be suspended.

A student who incurs a first suspension must remain out of the University one semester or full summer session.

A student who incurs a second suspension must remain out of the University one full calendar year and will be readmitted by the Office of Academic Status and Retention only on the basis of maturity, interest and motivation.

A student who incurs three or more suspensions is indefinitely suspended and will be readmitted only on special approval by the Retention Appeals Committee based on adequate evidence of ability, interest, maturity and motivation.

A student on academic probation will not be suspended at the end of any semester, term or summer session(s) in which the grade points earned are twice the number of semester hours attempted. This is equivalent to a "2.0 semester GPA."

A student on academic probation who withdraws from the University during the first probationary semester will be "continued on probation." Withdrawal by such a student from any subsequent probationary semester will be treated as an "academic suspension" requiring clearance from the Academic Status and Retention Office for any future registration.

Request for information regarding the Retention Policy should be made to the Academic Status and Retention Office, AD Bldg., Room 165, phone 454-2398.

ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after August 1, 1978 cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to August 1, 1978. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration

Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 165, Administration Building, or by telephoning 454-2393.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Records Office, Room 163, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students and must be properly admitted to graduate school as new students.

Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.

Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons Over 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons sixty (60) years of age or older, who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons sixty-five (65) years of age or older, who are domiciled in Tennessee, may enroll for courses for credit at the cost of \$9 per semester hour, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

REGISTRATION PROCEDURES

The registration process is composed of the basic steps outlined below. After the outline, each step is explained in detail.

- (1) Consulting with academic adviser
- (2) Obtaining registration materials
- (3) Securing class cards and paying fees
- (4) Changing enrollment status
 - (a) Change-of-course procedures
 - (b) Withdrawal procedures
 - (c) Change of college, major, or adviser
 - (d) Change of name or address

(1) CONSULTING WITH ACADEMIC ADVISER

To begin the registration process, all students must see their academic adviser to obtain the "Student Schedule" form and secure the adviser's approval of their course selections.

Current Students

Current students should consult with their academic adviser during the term preceding their next semester registration and receive the proper "Student Schedule" form. It is the responsibility of the student to arrange to see his adviser at the earliest possible time. This should be done prior to the semester registration period. The University is open Monday through Friday, 8:00 a.m. to 4:30 p.m., except during holidays.

Undergraduate students enrolled in Saturday and evening courses only may consult either an academic adviser and/or secure their student schedule form in Room 165, Administration Building, between the hours of 12:00 Noon - 8:00 p.m., Monday through Thursday, and 8:00 a.m. - 12:00 Noon, Saturday. However, during the registration period, hours will be the same as Packet Center hours.

New Students (Undergraduate)

Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See Semester calendar for date and time.) All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit. Students assigned to the Academic Counseling Unit should go to the Unit immediately after admission to the University and request the assignment of an adviser. If possible, this should be done prior to the new student orientation session. The Academic Counseling Unit is located in Scates Hall. Advisers will be assigned during the orientation session to students who have not seen an adviser.

New Students (Graduate)

New students in the Graduate School will be directed to an academic adviser following their admission to the Graduate School.

New Students (Evening)

New evening students should secure required registration and adviser information in the Evening Academic Services Office, Administration Building, Room 165, telephone 454-2393.

Readmitted Students

Students readmitted to the University who do not have an academic major will be assigned an adviser in the Academic Counseling Unit in Scates Hall. All other readmitted students should report to the department in which they plan to major and request an adviser.

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit should go to the Academic Counseling Unit in Scates Hall. Evening students in these categories may go to the Evening Academic Services Office, Room 165, Administration Building for advising assistance.

(2) OBTAINING REGISTRATION MATERIALS

The second major step in the registration process is obtaining registration materials. Registration materials consist of four basic elements: (1) a personal data form entitled "Student Information Form," (2) a card entitled "Registration Appointment Card," (3) a form entitled "Registration Receipt," and (4) a permanent ID card. Registration materials may be obtained as follows:

Current Students

Registration materials will be mailed to the permanent address of all students currently enrolled, with the exception of those students having outstanding financial obligations at the time registration materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared will receive their materials by mail. Students not clearing in time to receive their materials by mail will be given a chance to obtain materials before the actual day of registration and will receive instructions on how to accomplish this.

(3) SECURING CLASS CARDS & PAYING FEES

Students having their “Student Schedule” form approved, their permanent ID card made, and their registration materials in hand are then prepared to enter the Registration Center to obtain class reservation cards and to pay fees. Important points to remember about this step in the registration process are:

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the “Registration Appointment Card.” (See example.) Registration priority at Memphis State University is based on cumulative hours earned. See Statement of policy on registration priority. Students should enter the Registration Center at the appointment time indicated; however, the student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course number, section, time and credit agree with what they requested. **Students will be assessed a “change-of-course” fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card.** Students should be careful to check the schedule for course offerings that might have changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has closed and later reopened.

Special Courses

Credit/No-Credit Courses — Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form, and secure adviser's signature, (2) go to department chairman's office in which course is taught and secure his approval, (3) obtain "Class Card Request" form from department chairman, (4) take completed permit form and "Class Card Request" form to the Registration Center at the appointed registration time.

Audit Courses — In order to register, the student must: (1) Obtain academic adviser's approval, (2) go to department in which course is taught and pick up "Class Card Request" form, (3) take "Class Card Request" form to the Registration Center at his appointed time.

A student auditing a course will receive “audit” on his/her transcript only if in the judgement of the instructor he/she has attended a sufficient number of classes to deserve the notation on the transcript. Faculty will base their decisions for awarding “audit” only on attendance as the student is not allowed by policy to participate in any other way.

Payment of Fees — Registration is not completed until fees are paid. Since there will be no deferment of fee payment, **students should not enter the Registration Center unless they are prepared to pay fees.** Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the “Scholarship and Authorized Billings” station in the Fee Payment Center.

[illegible]

Fees For The Fall Semester Are:

Undergraduate	Per Hour (Part-Time)	Per Semester (Full-Time)
Resident-Maintenance	\$20.00	\$224.00
Non-Resident-Tuition	39.00	468.00
Non-Resident-Total	\$59.00	\$692.00
Graduate and Law		
Resident-Maintenance	\$23.00	\$244.00
Non-Resident-Tuition	39.00	468.00
Non-Resident-Total	\$62.00	\$712.00

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

See the Addenda section of this publication for the University's policies regarding:

- Late Registration fees
- Parking Fees
- Refund of fees
- Transcript Fees

(4) CHANGING ENROLLMENT STATUS

Once the student has completed his initial enrollment, he may find it necessary to change his status.

Change of Course

After a student's registration is complete, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER. Time limits for add/drop are outlined in the semester Calendar. A fee of \$5 will be assessed for each change of course application form processed. No change of course is processed until the fee has been paid. There is no charge for a change made as a result of the University cancelling a course.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

Withdrawal Procedures

Students may withdraw from the University by notifying the appropriate University official in person. ID's must be turned in to be invalidated.

- (1) Undergraduate Students — Notify the Center for Student Development, Room 120, Scates Hall
- (2) Evening/Saturday Students — Notify the Dean, Evening Academic Services, Room 165, Administration Building
- (3) Graduate Students — Notify the Dean of the Graduate School, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

Change of College or Major

Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the

designated office of the college for the new major. These offices are as follows:

Arts & Sciences

Dean's Office — MI 219

Business Administration

College Adviser — BB 426

Communication & Fine Arts

Dean's Office — MJ 300

Education

College Adviser — ED 211

Engineering

College Adviser — EN 259

University College

Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Administration Building, Room 315.

Change of Adviser

Students may change adviser by making application to the college in which they are currently enrolled. After being assigned an adviser, the student should come immediately to the Records Office.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration materials. However, in order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who change their address should leave a forwarding address with the post office so that all University mail will reach them at their new address.

IMPORTANT: All changes should be made early in the semester to insure their processing before the next semester.

GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned will be mailed to each student at the end of the semester. Also shown on the grade report will be cumulative hours attempted, hours earned, and grade point average. The report will be mailed to the permanent address.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

WITHHOLDING OF GRADE REPORTS

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center, August 24-30; in the late Registration Center, August 31-September 7; and in the Records Office thereafter.

COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000-1999	Courses primarily for freshmen
2000-2999	Courses primarily for sophomores
3000-3999	Courses primarily for juniors
4000-4999	Courses primarily for seniors
5000-5999	Courses offered in the Graduate School open to seniors within 36 semester hours of graduation
6000-9000	Courses open ONLY to those students fully admitted to the Graduate School

REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are generally based on the number of cumulative hours earned. This policy is based on the rationale that those students closest to the degree have the most critical need for choice of courses. No other criterion of assignment seems to be as equitable and as easily administered.

Registration materials must be prepared before the end of the term that immediately precedes registration. Therefore, the appointment times do not reflect hours earned during this term. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

The majority of University students hold jobs either on or off campus. Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists, therefore, to administer a priority system on the criterion of a student having to work.

Although the University is desirous of assisting transient students in obtaining the best possible program, a first obligation is recognized to native students continuing their program. Unclassified students will, therefore, be awarded registration appointments on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

MESSAGE FOR VETERANS

Eligible veterans may take credit courses as full, three-quarter, or half-time students and receive monthly G.I. educational benefits. Contact the MSU Office of Veterans' Affairs, 454-2996, 108 Jones Hall, for further information.

ID CARDS

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

New students will be given information concerning ID cards in their information sessions. Current students who have lost their card may obtain a replacement from the Dean of Students' office, Room 208, Scates Hall, by paying the replacement fee of \$10. Students unable to obtain an ID card at off-campus or special registrations must go to the Records Office to have one made.

NOTE: ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for full-time, consult the table for full-time classification in the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as a half-time load.

SCHEDULE OF FINAL EXAMINATIONS

Final examinations for the Fall Semester 1978 will begin on Friday, December 8, 1978. Each examination is two hours in length. Attendance is compulsory. The examination schedule is listed below.

(The examination for a class meeting at 9:30 MWF may be given at the time scheduled for either a 9:05 MWF class or a 10:10 MWF class.)

PRIVACY RIGHTS OF PARENTS & STUDENTS

ANNUAL NOTICE TO STUDENTS

Annually, Memphis State University informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy can be found in the following offices: Associate Dean of Admissions and Records (Records); Dean of Admissions and Records; University Counsel. The offices mentioned also maintain a Directory of Records which lists all education records maintained on students by this institution.

Questions concerning the Family Education Rights and Privacy Act may be referred to the office of the Associate Dean of Admissions and Records (Records).

ADDENDA TO 1978-79 CATALOG

The following policy changes which are to become effective this fall and the following courses were approved for inclusion in the offerings of the University after the 1978-79 Catalog issue of the *University Bulletin* had been sent to the printer. Their publication here constitutes the official announcement of their addition to the University policies and curriculum.

REGULARLY GRADED COURSE REQUIREMENTS FOR GRADUATION

Full-time students may register for as much as 8 semester hours of courses for which the grades of credit/no credit, the T-grade, or the S grade is awarded. To be eligible to graduate the student

must have a minimum of 45 semester hours of regularly graded courses (A, B, C, D, F) which are used in the computation of the grade point average.

"T" GRADE

The policy for the "T" grade, as found on page 41 of the *1978-79 Undergraduate Bulletin*, has been amended in sections 3a and b. The revision of 3a should read as follows:

a. Award grades A-F.

The last sentence of section 3b has been revised as follows:

The faculty member *must record* either an A-F or the "T" grade to prevent the computer from automatically assigning an "F."

CLASS ATTENDANCE

The following policy statement replaces the statement on page 40 of the *1978-79 Undergraduate Bulletin*.

CLASS ATTENDANCE

Although students at Memphis State University may be engaged in a variety of activities, curricular and extra-curricular, on and off campus, they are expected to give first consideration to their scholastic obligations. When they register for classes they make a commitment to and assume a responsibility for their academic success. They are expected, therefore, to attend classes promptly and regularly, to participate appropriately in these classes, to seek out all the help which the University makes available to them, to complete all course requirements, and to perform to the best of their abilities.

The importance of prompt and regular class attendance cannot be overemphasized. Although class attendance as such is used in computing grades only under the conditions stated in the following paragraph, students must understand that their academic success will be determined by the way they perform on all measuring instruments — tests, daily quizzes, class participation, in-class essays, class reports, etc. — and that failure to attend and participate in class (or to meet similar responsibilities in laboratories, intern programs, and the like) will un-

doubtedly affect that performance. Absence from class is not a valid excuse for failure to complete assignments or for tardiness in completing them; permission to make up assignments or to turn them in late can be given only by the teacher of the class upon specific request; students should not assume that such permission is granted routinely.

Class attendance as such is not used in computing grades except in those courses for which teachers request specific exemptions. Such special attendance policies are valid only (1) if the department chairman annually approves them in writing prior to the first class meeting with a copy of that approval forwarded for information to the dean and (2) if a full statement of the policy is presented to all students present at the first and second meeting of the class. In the case of courses which have multiple sections and multiple teachers, the chairman's approval permits all teachers to use class attendance in computing grades.

A student who is absent from the final examination without the permission of the teacher incurs a grade of F on the examination and may incur a grade of F for the course.

EXPENSES AT UNIVERSITY

(Replaces present sections in the Bulletin)

Application Fee

Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of \$5.00

Maintenance Fee

All students, whether resident or non-resident, pay a maintenance fee. Undergraduate fees are \$20.00 per semester hour, not to exceed a maximum of \$224.00. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

Graduate fees are \$23.00 per semester hour, not to exceed a maximum of \$244.00. Fees payable are based on the course level, and the maximum fees will be the graduate maximum if a student is enrolled for any graduate hours.

The Summer Session consists of two separate terms of approximately six weeks each, plus nine week and extended terms for specified courses. Fees for the Summer Session are determined solely on a semester hour basis. The semester hour charge is \$20.00 for maintenance fees and an additional \$39.00 for non-resident tuition.

Fees for audits will be assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

Tuition

Students classified as non-residents are charged an additional \$468.00 per semester (for full-time students) or \$39.00 per semester hour (for part-time students). (Note that tuition is in addition to the maintenance fee.)

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each stu-

dent using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

University College Fees

In addition to their \$5.00 application fee, students who apply to the University College must pay a screening fee of \$15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of \$25.00

Students who apply for credit for experiential learning will pay \$15.00 per credit hour granted after evaluation of their learning and assignment of credit. For those students who are enrolled under a group contract, no more than a maximum fee of \$90.00 will be assessed for credits assigned under the terms of the group contract.

Courses in Applied Music

The fee of applied music shall be \$25.00 per semester for each one-half hour lesson.

Refund of Fees

FALL AND SPRING SEMESTERS: If a student withdraws from the University within fourteen days from the beginning of classes for the fall and spring terms, a refund will be made of 75% of his maintenance fee, out-of-state tuition, and music fee (if any). The same refund schedule applies to students who drop to an hourly load below full-time. The applicable percentage then applies to the difference between the new fees calculated on an hourly basis and actual fees paid. A 100% refund will be made for courses cancelled by the University. All other fees are non-refundable.

SUMMER: Students are requested to register for all four terms of the Summer Session at the beginning of the first term, if possible. If a student withdraws from the University within four days (excluding Saturday and Sunday) from the beginning of classes for the first term, a refund is made of 75% of the maintenance fee and tuition or music fee (if any) applicable to first term classes. If a student withdraws from second term classes any time before second term classes begin, a full refund of maintenance fee and tuition or music fee (if any) applicable to the second term will be made. This refund will be reduced to 75% if the student withdraws within four days (excluding Saturday and Sunday) after beginning of classes for the second term.

Withdrawal or drops from extended term courses will be refunded on the basis of 75% during the first seven days (excluding Saturday and Sunday) instead of four, as in the first and second summer terms. Withdrawal or drops from nine week term courses will be refunded on the basis of 75% during the first six days (excluding Saturday and Sunday).

A full (100%) refund of fees will be made for courses cancelled by the University.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date cannot be made for reasons such as employment conflicts, health or medical problems, or moving out of town.

Residence Halls

Charges for rooms in University residence halls are indicated below. For information concerning application for rooms, see page 36 of the undergraduate *Bulletin*.

(ALL ROOM CHARGES ARE SUBJECT TO CHANGE WITHOUT NOTICE)

Refund of Residence Hall Rent

Refunds of residence hall rent after registration will be prorated on a weekly calendar basis when the student is forced to withdraw from the residence hall under the following conditions:

1. Because of personal medical reasons confirmed in writing by a licensed physician.
2. At the request of the University.

No refund of residence hall rent will be made under any other conditions.

Married Housing

The University has 126 apartments for married students located on South Campus approximately one mile from the central part of the campus. These are 70 two-bedroom and 56 one-bedroom apartments. Some apartments are built specifically for paraplegic students. All apartments are furnished with electric stove, refrigerator, carpeting and garbage disposers.

The monthly rental rates are: one-bedroom apartment — \$120.00; two-bedroom apartment — \$145.00. Electrical utilities are paid by tenant.

Application forms may be obtained from the University Housing Office in Room 105, Scates Hall, Main Campus. A \$5.00 application fee is required when the application is submitted. A \$50.00 deposit is required upon acceptance of assigned apartment.

Meals

The University cafeterias, student centers and vending areas, open to all students, provide wholesome food at reasonable prices. Cost of meals per student is estimated at \$4.00 to \$4.75 per day.

Air Force ROTC Deposit

A uniform deposit of \$10.00 and a \$5.00 activity fee are required of each student who enrolls in the Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at

the beginning of a semester in which the student is not enrolled in the ROTC program.

Laboratory Deposits

Certain courses in chemistry require breakage deposits from \$10.00 to \$20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

Physical Education Locker and Towel Fee

Students enrolled in physical education courses must pay a fee of \$3.50 for the locker and towel issued them. Students must provide their own lock.

Late Registration

Students who do not complete registration (including the payment of fees) during the official registration period will be charged \$10.00 for any late registration following the official registration period.

Adding and Dropping Courses

A fee of \$5.00 will be charged for each change of course form processed, regardless of the number of course or section changes included on the form.

Transcripts

There is no fee for transcripts. However, the student will be charged \$1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

Diploma Fee

Each candidate for a degree from Memphis State University pays a \$20.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

Credit by Examination or Placement Examination

The fee for taking an examination for credit is \$15.00 minimum and an additional \$5.00 for each credit hour over three; this fee must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

Automobile Registration

Each person who expects to operate and park any motor vehicle on the campus must pay \$5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office (Room 151, Administration Building). A reduced fee of \$4.00 is charged for vehicle registrations after January 1, and \$2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

Identification Cards

The University issues to each student an identification card, which bears his photograph, social security number, and certification that he is enrolled as a student in the University. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of Memphis State University and will be surrendered upon request of a University official. A student will be charged \$10.00 to replace a card that has been damaged, stolen, or lost. A student will be charged \$2.00 to make any change in data on his card.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time I.D. card validation. (Also, see section on STUDENT LIFE AND FINANCIAL AID.)

Returned Checks

It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. If a check given in payment of registration fees is returned, the fee is assumed to be unpaid and charges for late registration will be assessed. A \$5.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

Music Locker Deposit

Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of \$3.00 for one semester or \$4.00 for two semesters is required on each locker issued. This deposit, less a service charge of \$1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Appeal Procedures for Fees and Refunds

A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution

made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President for Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

UNIVERSITY HONORS PROGRAM 3100. Science Fiction. (3)

This colloquium will explore, through a broad selection of common readings and the services of guest lectures, some of the themes common in science fiction. Such topics as "Man's Love Affair With The Machine," "Utopias and Dystopias," and "Problems of First Contact with Alien Intelligence" are examined in detail. **PREREQUISITE:** Junior standing and permission of the Director of the University Honors Program

UNIVERSITY HONORS PROGRAM 3200-3299. Junior Honors Colloquium II. (3)

Same as UNHP 3100, except a different theme or topic will be used. Specific course descriptions will appear each

semester in the "Addenda" section of the Schedule of Classes. **PREREQUISITES:** Junior standing and permission of the Director of the University Honors Program

UNIVERSITY HONORS PROGRAM 3200. Juniors Honors Colloquium II, The Ascent of Man. (3)

This colloquium is based on Jacob Bronowski's *The Ascent of Man*, a thirteen part film series which treats the history and growth of science in Western culture and relates science to the humanities and the arts. At each meeting, the class will discuss one film and collateral readings. **PREREQUISITE:** Junior standing and permission of the Director of the University Honors Program.

UNIVERSITY HONORS PROGRAM 4300. Senior Honors Thesis. (3)

In lieu of one of the above courses, the honors student may write a thesis on a topic approved by the University Honors Council, and directed by a faculty committee chosen by the student and approved by the Honors Council. **PREREQUISITES:** Senior standing and permission of the Director of the University Honors Program.

URBAN STUDIES 4995. Urban Studies Internship. (3)

Supervised internship working with urban agencies in the city, state or national level. The internship program deals primarily with data collection and analysis on a grass roots level.

How Bob and Jennie saved a lot of money, their record collection and their relationship.

By reading Warehouse Sound's free 1978 stereo catalog, that's how. Bob liked folk-rock loud and deep, while Jennie liked country high and sweet. They couldn't find a stereo system within their budget that could do both. You know how silly some arguments sound when they start . . . Meanwhile, their old record player was slowly ruining their collection.

In the nick of time the new Warehouse Sound catalog arrived in the mail: 64 pages of information on over 100 brands of stereo components with suggestions for ear-pleasing complete systems at all price levels. They found a music system that could satisfy Bob's bass desires and Jennie's high frequencies for a lot less money than they expected to pay. So far, they've lived happily ever after.

We've helped more than 100,000 people like Bob and Jennie in the seven years since the bright idea hit us: ship stereo components direct to the customer's home and eliminate the middleman's profit. The catalog is free. Our guide to stereo buying, *The How To Hi-Fi Guide*, is a dollar and worth it. So give us a try: see how many things you can save.

The Precision Decision. We made it. Now it's your turn.

QL-7

JL-F50

We believe that precision is the most important factor in turntable design and performance. Which is why we've built such a high degree of precision into our advanced new line of turntables.

Take our new QL-7 Quartz-Locked and JL-F50 Fully Automatic direct-drive, shown. They're both unusually close when it comes to some important specs, but what will surprise you most is that they're also both in the same price range.

For instance, the JL-F50 checks in with 0.03% wow and flutter (WRMS), 70dB signal-to-noise ratio (DIN B). And it offers a host of convenience features as well, with most controls up front so you can operate them without lifting the dust cover. Its fully automatic operation gentles your favorite records, and lets you repeat them from one to six times, or infinitely. A built-in strobe makes speed adjustments easy and accurate.

The QL-7 is a tiger. All business, with the incredible accuracy only a Quartz-Locked machine can boast. The QL-7's wow and flutter measures only 0.025% (WRMS); S/N is more than 74dB (DIN B). It's totally manual, with strobe speed indicator.

The way we see it, you're left with a superb decision: our JL-F50 at less than \$260*, with all the convenience and performance most people could ever want, or our QL-7, the finest under \$300* turntable available today for the discriminating audiophile.

Either JVC you choose, you'll have made the right decision.

8 OPEN ONLY TO MUSIC EDUCATION MAJORS WHO WILL PRACTICE TEACH SPRING 1979

WE'VE BEEN AT IT LONGER... SO WE HAVE MORE TO SHOW FOR IT.

Hohner has been making fine musical instruments for over 120 years. So we've made more keyboards, guitars, harmonicas, recorders, amplifiers and musical accessories than just about

anyone else. And only the finest workmanship and materials go into each instrument we make. That's why when you buy a Hohner you'll have more to show for it too.

HOHNER. MORE THAN JUST THE WORLD'S BEST HARMONICAS.

Harmonicas, Melodicas, Accordions, Recorders, Amplifiers, Keyboards, Guitars, Banjos, Orff and Rhythm Instruments. Musical Instrument Accessories.

HOHNER

If you're thinking about putting together a hi-fi system first take it apart in your mind.

The quality sound of high fidelity components will give you years of enjoyment—if you choose your system wisely in the beginning.

To help you choose wisely, the Institute of High Fidelity has published the "Official Guide to High Fidelity." Written in easy-to-understand language, the Guide's abundantly illustrated 176 pages will help you appreciate true high fidelity sound — and give you all the information you need to make an intelligent buying decision. EXTRA! Earn a handsome Certificate of Audio Achievement and ID Card entitling you to many valuable benefits, when you pass a test included in the book.

Just send \$2.00 check or money order to cover cost, postage and handling — and it's yours.

MINI COLLEGE PROGRAM
Mrs. Ethel Hudson, Coordinator
Office: Suite 265 – Administration Building

Move Into A New Identity (MINI) is a program for mature men and women who want to resume or begin their college education but are unable to attend classes under the regular schedule. The MINI College offers personal, individual handling of admissions and registration procedures and special classes and teachers to ease the trauma of becoming a college student. For more information, contact Mrs. Ethel Hudson at 454-2381.

**Add a lot of music to your life.
In just a little bit of space.**

Sansui's GX-5 is functional and beautifully crafted too. Height adjustable clamps let you arrange your components most conveniently. You can move your sound system easily from place to place because the GX-5 stands on casters. And the 19" width lets you mount any standard rack mountable components.

Create your own special system by choosing from Sansui's full line of elegant black face units, AU amplifiers, SC cassette decks, SR turntables and TU tuners. Sansui also offers two complete lines of high quality loudspeakers and an exciting new mixer-with-reverb for complete creative recording control.

Be sure to visit your Sansui dealer today. Select the rack system that meets both your budget and listening needs; and add a lot of pleasure to your life.

The lighter side of flicking your **Bic**

"The worst part of this is—I may never flick my Bic again."

"What happened was, Jean Harlow was on an old movie and my husband lunged forward to flick his Bic for her."

"Say, wouldn't this leafy stuff go great with flicking your Bic?"

Space Voyager.

The new Bose 901[®] Series III is a loudspeaker system for the space age.

It reproduces music with a level of realism unrivaled by conventional speakers. Its performance is a result of proven Bose design concepts combined with a whole series of technological innova-

tions, including the futuristic Acoustic Matrix[™] enclosure pictured above, nine full-range drivers and an electronic active equalizer.

But most important, the 901 III is designed to explore the world of space in music that conventional earthbound speakers ignore.

Most speakers simply beam sound directly at the listener from a few woofers and tweeters mounted on the front surface of a wooden box. The 901 III, with its nine high-performance drivers mounted in the Acoustic Matrix enclosure, radiates sound forward, to the sides, off the back walls. The entire space is filled with sound—the sound experienced in a live concert hall.

Take your own voyage into space. Visit your nearest Bose dealer and listen to the 901 III and other Bose Direct/Reflecting[®] speakers.

Models 301, 501, 601 and 901 Series III.
Prices from a little over \$100.

Better sound through research.

A photograph of a Pioneer hi-fi system. The system consists of a turntable unit on top, a tuner unit in the middle, and a stereo amplifier unit at the bottom. The units are housed in a dark, possibly black, cabinet with a wooden top and sides. The Pioneer logo is visible on the left side of the amplifier unit. The background is black, and the lighting highlights the front panel of the amplifier.

□ a solid-state stereo FM/AM tuner-amplifier to pull in those weak stations you'd like to listen to, and to keep them from drifting;

- Why not stop by your Magnavox dealer and tell him you'd like big sound at a small price. He'll know just what to show you.
